

Dear Kontakta XXXXXXX AB,

We are Beijing Invees Network Science and Technology Co.,Ltd which is the domain name register center in China. We received aa formal application from a company who is applying to register "xxxxx" as their domin name and Internet keyword on Jun 16, 2008.

Because this involves your company name or trade mark so we inform you in no time. If you consider these domain names and internet keyword are important to you and it is necessary to protect them by registering them first, contact us soon.

Kind Regards,

Xxxxx Xxxx
