

Privacy Policy for .SE

Responsibility for personal data

.SE (The Internet Infrastructure Foundation) is responsible for the processing of personal data on this website and .SE complies with the Swedish personal data act (1998:204). .SE ensures, as far as possible, that the information we process is correct, relevant and updated.

.SE has produced a policy regarding how your personal data is processed and protected. The content in this policy can continuously be changed and you should therefore read it again next time you visit our website.

Are you a domain owner, you find information regarding how .SE process your personal data in the Terms and Conditions applicable for the top-level domain .se and .nu , article 9,

http://www.iis.se/docs/Registreringsvillkor_eng.pdf.

Personal data

.SE is responsible according to the Swedish personal data act for personal data such as name, address, e-mail address etc. you provide us when you visit our website, for example when you order subscription for newsletters.

By providing your personal data to us you consent to that we use your information to fulfill our commitments to you. Your data is only kept as long as it takes for us to fulfill our commitments to you or as long as it is required by law.

.SE has taken technical and organizational measures to protect your personal data against for example loss, manipulation or unauthorized access.

.SE will not disclose your personal data to third party for marketing purposes. Personal data sent to third party is only used in order to fulfill .SE´s commitments to you.

Your registered personal data with .SE

You have a right to receive information regarding your personal data registered with .SE, and you have a right to, once a year at no cost, request a register extraction with your personal data registered with us. If your personal data is incorrect, incomplete or no longer current, you can request that the personal data is corrected or deleted.

Application for register extraction or request for correction is made in writing to .SE in accordance with the contact details below.
