MATTER

Alternative dispute resolution proceeding concerning the domain name <**dropbox.se**>.

DECISION

The domain name <**dropbox.se**> shall be transferred to the Applicant Dropbox, Inc.

BACKGROUND TO THE DISPUTE

The Applicant, Dropbox, Inc., is holder of several international as well as community registrations protecting the trademark DROPBOX in Sweden, such as a CMT Trade Mark registered in June 2011. Those registrations were granted prior to the registration in 2012 of the disputed domain name <**dropbox.se**>, the latter thus being registered several years after the founding of the company Dropbox and its offering of services under the DROPBOX trademark.

An application for ADR was filed July 1 2014 by the Applicant, claiming transfer of the domain name <**dropbox.se**>.

The Domain holder has not responded. Hence the case shall, so requested by the Applicant, be handled under the regulations of ADR Accelerated proceedings. Jan Rosén was appointed as Arbitrator by .SE.

CLAIMS

The Applicant has requested transfer of the domain name <**dropbox.se**> to the Applicant.

The Domain holder has not responded.

BRIEF FINDINGS OF THE ARBITRATOR

The Applicant has proven that it holds such entitlement as defined in point 7.2.1 of the Terms and Conditions of Registration which is identical to the domain name.

The Applicant has proven that the domain name was registered by the Domain Holder in bad faith.

Circumstances in support of a right or justified interest to the domain name for the Domain Holder, has not been demonstrated.
